

*"Sweeny, if I'm going to take credit for this payment paradigm shift,
you had damn well better tell me what it all means!"*

The check's **not** in the mail.

There's no faking it in the new economy. Real success requires something more. Something better. Welcome to Clareon, the B2B payment solution that makes paper checks virtually obsolete.

Clareon enables Internet commerce with cross-platform ease. Global access. State-of-the-art security. Breakthrough efficiency.

In other words, everything electronic payment needs to be.
